## ***ABOUT THE EVENT***

Whodunnit? It wasn't us, perhaps.....it was you! There's only one way to find out. Take control of your fates and seize the day!

This is your chance to become the detective you have always wanted to be, ever since you switched on your screen and saw that high functioning sociopath running around 221B Baker Street with that doctor friend of his. But how, you ask? Elementary, of course, because we bring you an event that is sure to wrap you up in its charm!

CSI Deduce is a unique event of Inquibytes, where participants get to put on their thinking caps and catch the criminal masterminds behind heinous murders, shocking robberies and more.

### **Eligibility**

College students (nearby colleges and from IISER Kolkata). You can even form teams with your friends from nearby institutes.

# CSI

## Rules and guidelines

- 1) Participants form teams of 2-4 to take part in the event.
- 2) The teams are assigned slots of a predetermined amount of time (by organizers) to look for evidences, interrogate possible suspects. Any teams arriving late will lose time from their assigned slot.
- 3) Participants are fully allowed to use any resources available (using the internet, taking photographs of room or evidence) to them in solving the crime. Some basic ethical standards should be maintained ( like not taking help or offering help to other participating teams, not tampering with the evidence, not taking the evidence out of the room, etc.).
